

CONSOLIDATED BID SUBMISSIONS

Tender Reference: NHIDCL-2026-BRIDGE-99102

Project: Major Highway Bridge Construction (Pier & Deck Slab)

Issuing Authority: National Highways & Infrastructure Development Corp Ltd

Submission Deadline: 15 September 2026

Participating Bidders		
1.	Bharat Construction Ltd.	<i>Civil & Structural Contractor</i>
2.	Shree Metals & Alloys Pvt. Ltd.	<i>Steel Fabricator & Supplier</i>
3.	Pioneer Cement Works	<i>Cement Manufacturer</i>
4.	Rajputana Infrastructure Corp.	<i>Multi-sector Contractor</i>
5.	Global Traders International	<i>General Supplier (Import-based)</i>

This document contains confidential bid proposals from the above five vendors submitted in response to the above tender. All proposals are to be evaluated by the procurement authority using the NirvanaAI compliance platform.

BIDDER 1: Bharat Construction Ltd.

1. Company Overview

Company Name: Bharat Construction Ltd.

Registration No.: CIN: U45201MH2001PLC134567

Contact Person: Mr. Ramesh Patel, Chief Procurement Officer

Email: bids@bharatconstruction.in

2. Proposed Cost & Timeline

Total Bid Amount: Rs. 42,50,000 (Forty Two Lakhs Fifty Thousand Only)

Delivery Timeline: 50 days from Letter of Award

Payment Terms: 30% advance, 70% on delivery and inspection

3. Technical Compliance

Bharat Construction Ltd. has 18 years of experience supplying materials for National Highway projects across Maharashtra and Gujarat. We have successfully completed 12 government infrastructure contracts.

All cementitious materials supplied will be 43 Grade Ordinary Portland Cement strictly conforming to IS 269:2015 with minimum 28-day compressive strength of 43.0 MPa.

Structural steel sections and high-strength deformed steel bars (Fe 500 grade) will comply with IS 1786:2008 and IS 2062:2011 and bear mandatory ISI certification marks.

All concrete work shall conform to IS 456:2000 Code of Practice for Plain and Reinforced Concrete.

ISI Mark / BIS Certification: Yes - License No. CM/L-4856789 (Cement), CM/L-2341098 (Steel)

Standards Claimed: IS 269, IS 1786, IS 2062, IS 456

4. Supporting Documents

- BIS ISI mark license certificates (attached)
- ISO 9001:2015 Quality Management Certificate
- Previous government project completion certificates (12 nos.)
- Audited financial statements FY 2024-25

BIDDER 2: Shree Metals & Alloys Pvt. Ltd.

1. Company Overview

Company Name: Shree Metals & Alloys Pvt. Ltd.

Registration No.: CIN: U27100GJ2005PTC045231

Contact Person: Ms. Priya Sharma, Director Operations

Email: procurement@shreemetals.co.in

2. Proposed Cost & Timeline

Total Bid Amount: Rs. 46,00,000 (Forty Six Lakhs Only)

Delivery Timeline: 45 days from Letter of Award

Payment Terms: 20% advance, 80% on delivery

3. Technical Compliance

Shree Metals & Alloys has been a BIS-licensed manufacturer for 11 years with active ISI mark certifications for all product categories supplied under this tender.

We will supply high-strength deformed steel bars Fe 500 grade conforming to IS 1786:2008. Structural steel sections for bridge girders will be supplied as per IS 2062:2011 Grade E250.

All reinforcement steel is produced in our NABL-accredited in-house testing laboratory. Third-party test certificates from Tata Consulting Engineers available on request.

Precast concrete pipes to be supplied conform to IS 458:2003 for drainage works.

ISI Mark / BIS Certification: Yes - License No. CM/L-7812340 (Steel Bars), CM/L-9934512 (Structural Steel)

Standards Claimed: IS 1786, IS 2062, IS 458

4. Supporting Documents

- BIS manufacturing license certificates
- NABL lab accreditation certificate
- Test certificates from last 3 batches
- 8 prior government project completion proofs

BIDDER 3: Pioneer Cement Works

1. Company Overview

Company Name: Pioneer Cement Works (Partnership Firm)

Registration No.: UDYAM-RJ-12-0078945

Contact Person: Mr. Suresh Agarwal, Partner

Email: suresh@pioneermentworks.com

2. Proposed Cost & Timeline

Total Bid Amount: Rs. 38,75,000 (Thirty Eight Lakhs Seventy Five Thousand)

Delivery Timeline: 60 days from Letter of Award

Payment Terms: 25% advance, 75% against delivery challans

3. Technical Compliance

Pioneer Cement Works is a MSME-registered manufacturing unit with 7 years of experience supplying cement to PWD and NHAI contractors in Rajasthan.

We manufacture and supply 43 Grade OPC cement strictly conforming to IS 269:2015 requirements. Our cement achieves minimum 28-day compressive strength of 45 MPa, exceeding the mandatory minimum.

We also supply 53 Grade OPC cement as per IS 12269:2013 for high-strength concrete applications in bridge decks.

All cement batches are tested in our in-house BIS-supervised quality laboratory. ISI mark is prominently displayed on all bags.

ISI Mark / BIS Certification: Yes - License No. CM/L-3345621 (43 Grade OPC)

Standards Claimed: IS 269, IS 12269

4. Supporting Documents

- ISI mark license (valid till March 2027)
- Batch-wise test reports for last 6 months
- MSME Udyam certificate
- 5 government supply completion letters

BIDDER 4: Rajputana Infrastructure Corp.

1. Company Overview

Company Name: Rajputana Infrastructure Corp. Pvt. Ltd.

Registration No.: CIN: U45400RJ2010PTC031122

Contact Person: Mr. Vikram Singh, MD

Email: vikram@rajputanainfra.com

2. Proposed Cost & Timeline

Total Bid Amount: Rs. 68,00,000 (Sixty Eight Lakhs Only)

Delivery Timeline: 55 days from Letter of Award

Payment Terms: 40% advance, 60% on completion

3. Technical Compliance

Rajputana Infrastructure Corp has 14 years of experience in civil construction across Rajasthan. We have handled projects for JVVNL, PHED, and NHAI.

Our cement supply will conform to IS 269:2015 for 43 Grade OPC with ISI mark. Reinforced steel will conform to IS 1786:2008 and IS 2062:2011.

Precast concrete pipes for drainage will be supplied as per IS 458:2003. We also include project management services and on-site quality testing in our scope.

Our elevated bid amount reflects premium logistics, on-site material management, and dedicated project engineer deployment.

ISI Mark / BIS Certification: Yes - License No. CM/L-5567891

Standards Claimed: IS 269, IS 1786, IS 2062, IS 458

Note

While this bid offers comprehensive project management support, the proposed cost of Rs. 68 Lakhs exceeds the department's budgetary provision for this tender.

BIDDER 5: Global Traders International

1. Company Overview

Company Name: Global Traders International LLP

Registration No.: LLP Reg: AAC-1234

Contact Person: Mr. Alex Fernandes, Partner

Email: alex@globaltradersin.com

2. Proposed Cost & Timeline

Total Bid Amount: Rs. 35,00,000 (Thirty Five Lakhs Only)

Delivery Timeline: 40 days from purchase order

Payment Terms: 50% advance required

3. Technical Compliance

Global Traders International offers premium quality imported construction materials from our trusted international supply chain partners in China and UAE.

We will supply high-grade cement with excellent compressive strength suitable for all construction applications. Our steel bars are of international quality and have been tested to exceed standard requirements.

Our concrete pipes are manufactured using modern techniques and are durable for underground utilities. We assure the highest quality standards in all our products.

We have been operating as traders for 3 years and have supplied to several private construction sites across Goa and Maharashtra.

ISI Mark / BIS Certification: Not applicable - imported products; international quality certifications available

Standards Claimed: None specified

4. Note on Certifications

Our products meet international quality benchmarks. We are in the process of obtaining BIS certification for our product range. Currently, we hold CE marking and ISO quality certificates from our overseas manufacturers.
